

Bible Study Group Leader's Guide

Free digital tools to make your Bible study richer, deeper, and more engaging

Hello, Bible Study Leader!

Thank you for leading others into God's Word! The **Jesus.Net Philippines** portal (jesus.net.ph) gives you access to free, high-quality digital tools designed to support your Bible study group — from daily devotionals to interactive video-based discipleship courses. This guide shows you exactly how to use them.

What's Inside the Portal for You

MyJourney with The Chosen

How to Use These Tools in Your Bible Study

- 1 Start a Chosen Watch Party**
 Pick an episode of The Chosen to watch together. Then open myjourney.ph.jesus.net on your phone or laptop and follow the matching Bible study guide. Each session includes discussion questions that make conversation flow naturally.
- 2 Assign Himala Everyday as Daily Reading**
 Encourage members to subscribe to **Himala Everyday** at himalaeveryday.ph for daily devotionals in Filipino. Open each Bible study meeting by sharing highlights from the week's readings — it's a great way to spark discussion.
- 3 Use the Test of Character Quiz**
 Break the ice at your next meeting! Have everyone take the **Test of Character** personality quiz (found on the portal) to discover which Bible character they're most like. It sparks fun conversations and deeper reflection.
- 4 Host a Life of Jesus Film Night**
 Plan a special group event by screening **The Life of Jesus** film. The portal provides everything you need: the film link, promotional ideas, and follow-up discussion guides for new believers. Perfect for outreach.
- 5 Invite Members to MyJourney**
 Share the myjourney.ph.jesus.net link in your group chat. Members can continue their discipleship journey between meetings — it keeps the momentum going all week.

Sample Bible Study Session Plan
